Bath Full-time MBA Scholarship Guidelines

We have a number of scholarships available to support the most talented candidates on to the Bath MBA Full-time programme 2019/20.

We base award decisions on professional track record, academic credentials and skillset. We also look for your potential to become an outstanding business leader or entrepreneur, and future ambassador for the School and programme.

If you would like us to consider you for a scholarship, you will need to submit a 400-word statement outlining why you believe you are eligible for an award.

The Scholarship committee will award scholarships on a rolling basis, throughout the application cycle, and we strongly encourage you to apply early, and pay your deposit promptly, to maximise your chances.

The deliberate smaller size and diversity of our Bath MBA cohort enables a rich intimate learning and networking experience. We target a balanced mix of student backgrounds to enhance this.

Please submit your scholarship form to: mbaapps@management.bath.ac.uk
